

Skin Health Education Day

Saturday 23 February 2019

Leading dermatologists and skin care experts will provide education and training on how to diagnose and treat a range of common skin conditions. This day is particularly suited to nurses, GP's and pharmacists.

This one day program will be led by Associate Professor Rosemary Nixon.

TOPICS WILL INCLUDE:

- Performing a skin assessment
- Eczema: Wet wraps and when to refer
- Debunking dermatology claims
- Skin conditions in the elderly
- Health supplements and the skin
- What makes a good skin care product
- Scar management
- Corticosteroids: Friend or foe?
- Psychological impact of dermatological conditions
- Biologics
- Sunscreens: Physical versus chemical
- Rosacea
- Men's dermatological conditions
- Dermoscopy
- Skin conditions involving the mouth
- Metabolic syndrome and skin disease
- Ulcers and wounds
- Systematic approach to making a diagnosis
